

LTW Bangalore 2026: AI & Law — The Asian Frontier

📅 11th JUNE 2026 · BANGALORE, INDIA

FULL-DAY CONFERENCE

SOUTH ASIA FOCUS

A landmark full-day conference positioning South Asia at the centre of the global conversation on artificial intelligence, law, and the Asian century. Bringing together practitioners, technologists, policymakers, and academics across jurisdictions and industries.

Morning — Opening & Foundations

7:30 AM – 9:00 AM · Registration & Networking

Delegates check in and meet peers across practice areas, jurisdictions, and industries — setting the stage for the day's cross-border conversations.

1

2

9:05 – 9:15 AM · Traditional Lamp Lighting Ceremony

A ceremonial inauguration honouring the Indian tradition of invoking knowledge and wisdom before a significant gathering.

Distinguished guests and speakers formally illuminate the conference, signifying the dispelling of ignorance through the light of learning.

3

4

9:00 – 9:05 AM · Opening Address

A concise, high-impact welcome that frames the day's purpose — positioning LTW Bangalore 2026 within the global conversation on AI, law, and Asia's leadership moment.
Welcome Address — Co-Founder & Director, LTW

9:15 – 9:30 AM · Opening Keynote

The New Legal Landscape: AI, Sovereignty & the Asian Century. A senior industry leader sets the intellectual tone — examining how AI is rewriting the rules of legal practice, regulation, and access to justice across South and Southeast Asia.

Panel Discussion 1 — AI in Legal Practice

9:30–10:15AM · 45MIN

AI in Legal Practice: Research, Compliance & Operations in the Indian Context

How are Indian law firms, in-house legal teams, and courts adopting AI tools? Panel list examines workflow transformation, the Bar Council's evolving stance, and what responsible AI adoption looks like for Indian practitioners.

AI-Assisted Legal Research	Contract Lifecycle Automation	Compliance & Risk Tech	Bar Council Guidelines
Access to Justice			

 **10:15 – 10:45 AM · Tea & Networking Break:** A structured break designed for meaningful exchange — facilitated by curated conversation prompts and peer-matching to help delegates forge strategic alliances across jurisdictions.

Late Morning — Regulation, IP & Innovation

Panel Discussion 2

Regulation, Data Protection & AI Governance: South Asia in a Global Frame

With India's Digital Personal Data Protection Act 2023 now in force and ASEAN nations advancing their own frameworks, this panel asks: Can South Asia lead in building a third model of AI governance — distinct from the EU and China?

- DPDP Act 2023 implementation
- ASEAN AI governance
- Cross-border data flows
- State liability for AI
- Regulatory sandboxes

11:30 – 11:45 AM · 15 MIN

Case Study

From Policy to Practice: A Compliance Journey Under the DPDP Act

A practitioner-led deep dive into operationalising India's data protection framework — the organisational, legal, and technical decisions that shaped their compliance roadmap.

11:45 – 11:55 AM · 10 MIN

Case Study

AI in the Courtroom: Lessons from a Live Deployment

An in-practice case study examining the use of AI tools in litigation support, evidence management, or judicial proceedings — and the ethical questions it raised.

Panel Discussion 3 — Intellectual Property in the Age of AI

11:55AM–12:55PM · 60MIN

Ownership, Authorship & Enforcement

Who owns AI-generated work? Can an algorithm infringe copyright? This panel examines fault lines in India's existing IP regime, the urgency of legislative reform, and how courts across Asia are beginning to respond.

AI-Generated Works & Authorship

Determining legal authorship when creative output is produced by or with AI systems.

Patent Eligibility of AI Inventions

Whether AI-assisted or AI-generated inventions qualify for patent protection under existing law.

Training Data & Copyright

The legality of using copyrighted material to train large language and generative models.

Indian Patents Act Reform

The urgency of legislative updates to India's IP framework in light of AI-driven innovation.

Comparative: US, EU, Japan

How leading jurisdictions are responding and what India can learn from their approaches.

 **12:55 – 1:55 PM · Power Lunch & Networking:** Legal leaders convene in a curated seated lunch — structured to encourage cross-sector dialogue between practitioners, technologists, policymakers, and academics.

Afternoon — India's Leadership & Emerging Frontiers

1:55 – 2:40 PM · 45 MIN

Panel Discussion 4

India's Role in the Global LegalTech Ecosystem: Building for Scale

India is no longer just a consumer of LegalTech — it is increasingly an innovator and exporter. Panellists examine India's startup ecosystem, the role of GCCs, and how Indian legal talent is shaping global product development.

- LegalTech startups — India
- Global Capability Centres
- Vernacular AI & access to justice
- Investment landscape
- India Stack & legal infra

LexTalk — Featured Address

The Lawyer of 2030: Adaptation, Identity & the Human Edge

A solo address by a distinguished industry voice — reflecting on what AI cannot replicate in legal practice and what the next generation of Asian lawyers must cultivate.

Forensics Track & Leadership Roundtable

Panel Discussion 5 · 2:50 – 3:35 PM

The Digital Frontline: Synchronizing Cybersecurity, Forensic Integrity, and Regulatory defence in the AI Era

- The Corporate Counsel's Command Centre: Managing Response & Risk
- Evidence in the Age of AI: Forensics and Legal Defensibility
- Regulatory Navigation: Data Privacy Obligations Post-Breach
- The Unified Front: Coordinating Multidisciplinary Investigations

Leadership Roundtable · 3:35 – 4:30 PM

The Future of Law in Asia: Cross-Border Regulation & Digital Dispute Resolution. A high-trust roundtable convening senior leaders — GCs, judges, regulators, and thought leaders — to deliberate on the architecture of Asian legal cooperation in an AI-driven decade. Outcomes will be published as the **LTW Bangalore 2026 Declaration**.

- Online Dispute Resolution (ODR)
- Mutual Legal Assistance
- AI court systems — Singapore, India
- Regulatory harmonisation

Closing — Recognition & Celebration

01

4:30–5:00PM · VVIP Session

Exclusive Dialogue with Distinguished Guests. A private, invitation-only session for VVIP delegates — enabling candid conversation with keynote speakers, judges, and senior policymakers in an intimate setting.

03

5:30 – 6:00 PM · High Tea & Farewell Networking

Closing Reception. A relaxed close to the day — delegates reconnect over curated refreshments, reflecting on the day's insights and forging lasting connections beyond the conference.

02

5:00–5:30 PM · LTW Legal Excellence Awards 2026

Legal Honour Recognition. Recognising individuals and institutions advancing the frontiers of law, technology, and justice across South Asia — celebrating practitioners, innovators, and emerging leaders.
