EXECUTIVE SUMMARY & EVENT HIGHLIGHTS

The global legal community gathered on June 11, 2026, for the 13th Edition of the LexTalk World Conference and Exhibition (APAC) at the Radisson Blu Atria in Bangalore, India. India's first-ever core presence was the LexTalk World. "Conference"—the conference established a landmark gathering in India's technology capital, bringing together distinguished legal luminaries, corporate counsel, policy makers, and LegalTech innovators from across the globe.

The event addressed the transformation of jurisprudence through artificial intelligence, digital governance, cross-border regulation, and intellectual property. Organized by thecielaw, Caters and Beyond managed by Mantra & Vista Pvt. Ltd., the full-day summit focused interactive panel discussions, live technology case study presentations, an interactive exhibition floor, and the formal launch of the India Legal Tech and AI Report 2026 Series 1. The proceedings concluded with the celebration of the LexTalk World Legal Honor Global Awards 2026.
